Shipping Method Estimated Delivery Time

*Orders typically take up to 5 business days to be packaged and shipped from our facility. Please note that the shipping times are estimates based on the date the package leaves our warehouse, not from when you make the order. Days are measured in business days, not including weekends or holidays.

Difficult To Serve Locations

These are certain locations which may incur additional delivery time and may be less frequently served by our delivery partners. You will be notified on the additional charges before the time of shipping. "Difficult to serve locations" are those with postal codes beginning in A0, X0 and Y0 which are not considered an "Air Stage Location" by Canada Post. If, you are shipping to a postal code beginning in A0, X0 and Y0 which is confirmed to be a remote or "Air Stage Location" (see below for full list of remote postal codes), then your order will be subject to remote locations shipping charges, as outlined below.

* Orders may qualify for additional shipping charges depending on the size and bulk of the order. Customers will always be contacted before any such charge is added. We are currently unable to accept returns from these select locations. If you have a problem with your order, please respond to any of your order update emails or contact us at info@companionpetproducts.ca. Our Customer Care team will be happy to help!
